

General Information about Presbyterian Preschool Enrollment

Presbyterian Preschool offers programs for children who are ages 10 mo. through 6 yrs. We welcome children of all nationalities and religious backgrounds. The children are placed into classes according to their age on September 1, following the practice of the Stillwater Public Schools. Possible schedules are listed on the enrollment form.

We strongly recommend a two or three day schedule for most children, except for our part-day kindergarten program, which is 5 days/week. Please note that there are scheduling options listed on the pre-enrollment form that may not ultimately be available due to lack of enrollment.

Presbyterian Preschool follows the Stillwater Public Schools calendar in general, beginning in mid-August and ending in May. Tuition is charged for the entire school year, and may be paid by the year, by the semester or in nine equal monthly payments, beginning in August. There is no credit given for absences or holidays. Scholarships are available through the First Presbyterian Church for families with special financial needs; please contact the Director for more information. Tuition rates for 2008-2009:

Classroom	Monthly rate for one day/week;
1	\$38.00
2	\$38.00
3	\$37.00
4	\$37.00
Kindergarten/Pre-K	\$36.00
Early Bird (8-9 a.m.)	\$15.00
Extended Lunch (11:30-1:00)	\$20.00
Extended Day, (11:30-2:30)	\$33.00

A separate \$20.00 registration fee per family must be paid before the child can be placed in a class. The fee is refundable only as long as the child is on the waiting list. Once parents have received official confirmation of the child's placement in a class, the fee is not refundable for any reason.

Every effort is made to accommodate your first choice of schedules. Children are generally placed with the age group with whom they will enter public school. However, we make each placement according to the best interests of the child AND the class as a whole. If your child has special needs which might affect placement, or if you have special scheduling needs, please note them on the enrollment form so that we can take them into consideration. If you need to change your schedule after placement has been made, you must speak directly with the Director.

Enrollment forms may be returned the Parent Center at the Preschool, or mailed to:

First Presbyterian Preschool, 524 S. Duncan, Stillwater, Ok 74074

You can also get forms and more info at the Preschool link on www.stillwaterfpc.org.
